

Child Safe Policy

This Child Safe Policy has been developed in accordance with and implements Principle 1 of the [National Principles for Child Safe Organisations](#) (National Principles).

The Child Safe Policy is published on our Preschool's public website and provided to new Staff, and to Direct Contact Volunteers and Direct Contact Contractors at induction. It is also communicated through other mediums such as our Staff and Parent handbooks.

Purpose

Our Child Safe Policy, which includes our Statement of Commitment to Child Safety, was written to demonstrate the strong commitment of Zion Lutheran Preschool to promoting children's wellbeing and safeguarding children from harm, and to provide an outline of the policies and practices that we have developed to keep our children safe, including from abuse or other harm.

It is an overarching policy that provides the key elements of our approach to Zion Lutheran Preschool as a child safe organisation and sets the tone for Zion Lutheran Preschool's entire Child Safe Program.

The Child Safe Policy provides the framework for:

- implementing the National Principles
- developing systems, practices, policies, and procedures that promote child protection within Zion Lutheran Preschool
- creating a safe and supportive preschool environment and a positive and robust child protection culture
- promoting and openly discussing child safety issues within Zion Lutheran Preschool
- complying with all laws, regulations, and standards relevant to child protection in South Australia.

Scope

Zion Lutheran Preschool's Child Safe Policy applies to all adults in Zion Lutheran Preschool, including Staff, Volunteers, Contractors, External Education Providers, parents/carers, and other family members. This Policy applies in all Zion Lutheran Preschool environments, both physical and online, and on-site and off-site the grounds (e.g., camps and excursions).

Statement of Commitment to Child Safety

All children and young people who come to Zion Lutheran Preschool have a right to feel and be safe. We are committed to providing a child safe and child friendly environment, where children and young people are safe and feel safe and are able to actively participate in decisions that affect their lives.

We have a zero tolerance for harm to children and young people and are committed to acting in children's

best interests and keeping them safe from harm.

Zion Lutheran Preschool regards its child protection responsibilities with the utmost importance and as such, is committed to providing the necessary resources to ensure compliance with all relevant child protection laws and regulations and maintaining a child safe culture.

Each member of Zion Lutheran Preschool has a responsibility to understand the important and specific role that they play individually and collectively to ensure that the wellbeing and safety of all children is at the forefront of all that they do and every decision that they make.

Child Safe Standards

The National Principles for Child Safe Organisations

The National Principles were developed by the Australian Human Rights Commission in response to recommendations of the Royal Commission into Institutional Responses to Child Sexual Abuse. The National Principles are comprised of 10 Principles that were informed by, but go further than, the 10 Child Safe Standards recommended by the Royal Commission. They are:

Children and Young People's Rights to Safety, Information and Participation

Zion Lutheran Preschool is a child safe and child-centred organisation. Our environment is friendly and welcoming to all children and young people.

We actively seek to include children in decisions that affect them. This includes decisions about organisational planning, delivery of services, management of facilities, and learning and assessment environments.

We ensure children know about their rights to safety, information, and participation. We recognise the importance of friendships and support from peers. We actively seek to understand what makes children feel safe in our Preschool and regularly communicate with children about what they can do if they feel unsafe.

Parents/Carers, Families and Community Involvement at Zion Lutheran Preschool

Zion Lutheran Preschool recognises that parents and carers have the primary responsibility for the upbringing and development of their children. We ensure they participate in decisions affecting their children.

We ensure that families and relevant communities (Aboriginal and Torres Strait Islander communities, culturally and linguistically diverse communities, other communities that make up our children and Staff cohort, and the local community in which our Preschool operates) know about Zion Lutheran Preschool's operations and policies, including the Child Safe Policy and Child Safe Codes of Conduct, record keeping practices, risk management, and complaints and investigation processes.

We actively seek to include families and relevant communities in decisions about organisational planning, delivery of services, management of facilities, and learning and assessment environments.

We build cultural safety at Zion Lutheran Preschool through partnerships with relevant communities.
