

Child Safe Adult Code of Conduct

The Child Safe Adult Code of Conduct outlines appropriate standards of behaviour for all adults in the Zion Lutheran Preschool environment towards children. It serves to protect children, reduce any opportunities for abuse, risk of harm or harm to children to occur, and promote child safety in the Zion Lutheran Preschool environment. It provides guidance on how to best support children and how to avoid or better manage difficult situations.

It is the Zion Lutheran Preschool's policy that any breach of the Child Safe Adult Code of Conduct is a child safety incident that must be reported internally. Any breach that meets the threshold for external reporting must also be reported to the relevant external authority.

For more information, refer to [Procedures for Responding to and Reporting Child Safety Incidents or Concerns](#).

The Zion Lutheran Preschool reviews the Child Safe Adult Code of Conduct annually. The Council has endorsed the Child Safe Adult Code of Conduct. The Child Safe Adult Code of Conduct is published on our public website.

Our Child Safe Program also includes a [Staff and Child Professional Boundaries Policy](#) that provides detailed guidance for all Staff, Volunteers, Contractors and External Education Providers on how to maintain professional boundaries between children and adults at Zion Lutheran Preschool.
